HSE & QHSE Policy

The policy of Al Shaheen Technical Contracting Co. is to conduct our construction business by paying necessary attention to the demands of Health, Safety and Environmental protection stipulated in several acts, regulations and provisions in general as well as to any contractual requirements. We, at Al Shaheen are committed to achieve excellence in building structures, which are not only safe for use, but also have been produced without compromising on HSE standards.

We shall achieve this through continual improvement of our business processes, organizational drive on innovation and productivity and effective human resource management.

We value training and sharing of information at all levels within the organization.

Objectives

- Enhancement of Customer Satisfaction.
- Timely Completion of Projects.
- Effective Planning and Monitoring System.
- Effective Human Resource Management.
- Continual Improvement in Productivity of our Resources.
- Reduction in Wastage of Major Construction Materials.

Physically remove the hazard

Replace the hazard

Isolate people from the hazard

Change the way people work

Protect the worker with PPE

QHSE Policy

Al-Shaheen's team at all levels shall endeavor to ensure the satisfaction of all customers by providing the best value in every service by recognizing that Quality, Health, Safety, Environment and Community responsibilities are an integral part of our operations.

We shall achieve this by:

- Establishing and reviewing QHSE objectives and targets.
- Developing and implementing management structures and procedures.
- Monitoring, evaluating and continually improving our QHSE performance.
- Recognizing that QHSE is everyone's direct responsibility.
- Continually enhancing awareness, skills and systems efficiency.
- Participating in product and process improvement initiatives, risk mitigation and prevention measures.
- Making each team member accountable for QHSE matters.
- Meeting all internal and external commitments.
- Abiding by the applicable legal framework requirements related to QHSE.
- Ensuring that the QHSE systems of our suppliers and subcontractors are compatible with our own commitments.
- Communicating this policy to all stakeholders, providing training and encouraging behavior that upholds this policy.

Chairman, CEO and MD's

Message

Mr. Abdullah Jumaah Johar Shehab
Chairman
Al Shaheen Technical Contracting Co. W.L.L.
Kuwait

In my capacity as Chairman, I would like to express my deep appreciation and gratitude to our esteemed clients & dedicated employees for their continuous support and sincere efforts towards achieving the objectives. We are proud of what we have accomplished in the last ten years and as we look to the future we will continue to build on the pillars that have helped us become so successful

We take pride in being one of the reputed privately owned Contracting, Sub-Contracting Company in Kuwait. Having

achieved remarkable growth over the last 10 years and contributing significantly to the development of Kuwait. The Company has attained prominence as a leader in the field of construction and engineering through competence, competitiveness and timely delivery with highest quality standards and recognized safety performance. We have a long tradition of serving our valued customers to their complete satisfaction through efficient management and excellent workmanship, which we continue to maintain with our untiring efforts.

Our special gratitude to Mr. Shaheen Pervaiz (CEO) for his support & guidance to achieve the goals.

Mr. Shaheen Pervaiz

TRAIN 3 OF WARA PRESSURE MAINTENANCE PROJECT
Approval of Subcontracting for Manpower and/or Equipment Supply

Reference:

1. Company letter 17052048-KC-L-00104 dated 30 October 2017
2. Company letter 17052048-KC-L-00090 dated 26 October 2017
3. Contractor letter 17052048-CK-L-00107 dated 14 October 2017
(Received 16 October 2017)

Dear Sir,

In response to your above referenced letter, the Company has no objection to the Contractor's request to enter into a subcontract with the contractors named below for the works defined therein. Approval is granted subject to the Contractor's compliance with Clause 7.0 "Subcontracting" of the General Conditions of Contract and Clause 17.0 of Appendix D "Project Administration and Coordination Procedure" and that Contractor remains fully responsible for the acts and omissions of its Subcontractor. It is also understood that such subcontracting shall not create any contractual relationship between any Subcontractor, at any tier, and the Company.

NAME	SCOPE
AL SHAHEEN Technical Contracting Co.	Manpower and Equipment Supply
Manpower/Equipment	50 Nos. Manpower / 10 Nos. Equipment
Duration	3 months (start 05-Nov-2017)

The Contractor shall ensure that the technical and commercial requirements in Clause 17.4.4 of Appendix D, as appropriate, are incorporated and imposed on the Subcontractor and submit for Company's information, at the time of issue, one (1) copy of the bid request for subcontracts and an un-priced copy of the conformed subcontract.

In this respect, you are kindly requested to ensure compliance with the HSE requirements, in particular, but without limitation, HSEMS Procedure(s) and the Driving Procedure in Document KOC-SA.016.

This is for your information and action as necessary.

Yours faithfully,
For KUWAIT OIL COMPANY

TO WHOMSOEVER IT MAY CONCERN

It gives me much pleasure to thank Al-shaheen Technical Contracting Co.W.L.L on behalf of Hyundai Heavy Industries and your team for the splendid efforts made in the successful completion of the Az-Zour North Independent Water & Power Plant Project (Phase 1).

It's a great attempt to work with such professional subcontractor who operates with much integrity and professionalism. In our business we take pride in completing projects on time and to highest possible quality and your commitment to the project have ensured that this was no exception.

I am pleased to describe that you have performed exceptionally well and your overall standards of performance is marvelous. You have certainly exhibited an unflinching enthusiasm and dedication to the task.

In addition, I also recognized that this is largely due to the manner in which you have motivated all concerned to give of your best.

As we move forward from this project, Hyundai Heavy Industries will continue to go from strength to strength, and your excellent professional work will not be forgotten. We assure you that we will continue to look for ways to bind our relationship well into the future.

Please do not hesitate to contact me if I can assist you in anything further.

PRESS RELEASE
Paris April 11, 2011

BID Business Initiative Directions
Building better business reputation worldwide

Al Shaheen Technical Contracting Co. WLL
from Kuwait
selected for the International Star for Leadership in Quality Award Paris 2011
In recognition of Commitment to Quality, Leadership, Technology, and Innovation

R.I.D. Paris
The Business Initiative Directions International Star for Leadership in Quality Convention and presentation of the 2011 International Quality Award took place on April 11th in the Paris Palais des Congrès Hall. The event was presided by Jose E. Prieto, President and CEO of B.I.D., along with outstanding personalities from the business world and diplomatic corps. The main sponsor of the International Star for Leadership in Quality Convention was InnaPress, media group which covered the awards in Paris through its more than 50 publications in English, French, Spanish, Russian, and Portuguese.

The B.I.D. quality symbol is present in 178 countries around the world, creating a firm ground for the implementation of integral quality processes through the technology and procedures of the QC100 model of Total Quality Management. According to Jose E. Prieto, President of B.I.D., "the awarded companies are symbols of commitment to leadership, technology, and innovation, making them models for others in their sectors." Companies from Europe, America, Africa, Asia, the Far East, Oceania, and the Middle East have received the B.I.D. International Quality Award in recognition of their achievements in spreading Quality Culture. For their commitment to quality, these companies join the historic group of prestigious B.I.D. Quality Award Winners. Among these outstanding companies are: Ansaldo Energia, Italy; RAO - Unified Energy Systems of Russia; Turner Construction International of the U.S.; KEPKO, South Korea; and Ab & Cacho - TBWA, France, all featured in articles, as well as: **ING Funds - Holland** Represented in Thailand and belonging to the ING Group, a global financial services company based in Holland with 115,000 employees. **China Steel Corp.** The largest steel producer of Taiwan with sales of 2.8 billion USD and 17,000 employees. **Qtech International - Australia** Leading technology company with offices in 35 countries.

NTPC Ltd. - India
The Centre for Power Efficiency & Environmental Protection of NTPC, India's largest power company ranked 317th in the 2009 Forbes Global 2000. With a generating capacity of 30,644 MW it will become a 75,000 MW company by 2017.

CVG Electrificación del Caroni - Venezuela
The most important hydroelectric power generating company in the country.

Saudi Iron & Steel Company (Hafesud) - Saudi Arabia
The main producer of steel, belonging to SABIC, a corporation with 6.8 billion USD in annual sales.

Zepher International
A multi-sector business with over 2 billion USD in profits.

The 2011 International Star for Leadership in Quality ISLQ Convention in Paris achieves the commitment to quality of awarded companies among the top areas of industrial production and services. Among winners of the 2011 Quality Award, listed within these pages, see NCR Corporation India Private Limited, Doosan New Zealand, the Abu Dhabi Palace Headquarters, from the UAE; ANKOR, Pulaski Bank Tower, from Iran; Electrosistema Deva, of Romania; Cooperativa La Cruz Azul, from Mexico; Abdul Samad Al-Qanadi, Saudi Arabia; Insurance Company Zhaon, from Russia; the Health Ministry Council for Cooperation Council States, from Saudi Arabia; and TEL, from France. Other winners in Paris were:

NCR Corporation India Private Limited
Winner of the International Star for Leadership in Quality Award at the 2011 B.I.D. Convention in Paris, NCR is a technology company specialized in kiosk products and IT services. It belongs to NCR U.S., which was ranked 451st on the 2010 Fortune 500. Listed on the NYSE, this company has 21,500 employees and in 2009, revenues of over \$4.61 billion.

Subject: ISLQ International Star for Leadership in Quality Award - Paris 2011
Ref: 11/P/159

Dear Sirs:

Continuing our previous correspondence, we would like to remind you of the decision to present your company with the International Star for Leadership in Quality Award. We are enclosing a press release covering the convention in Paris in which you can appreciate its international success.

The BID convention in Paris on April 11th gathered outstanding business people from 61 countries. Nonetheless, your company's absence at the award ceremony was noted, and we regret the circumstances which did not allow your representatives to travel to the event.

Since your company retains its candidacy to receive the International BID Award for Quality, you have the possibility of receiving the trophy directly at your office. BID will deliver all the International ISLQ Award material to you, including the certificate, the TQM QC100 and the award applications manual with examples and guidelines.

We would like to inform you that the news that your company has been awarded with the International ISLQ Award can only be used for publication once you have acquired the rights to use the symbol of the TQM and implement principles of the QC100 according to the stipulated conditions.

Please contact our offices in Madrid, through the International Department. We will be happy to give you further details regarding the conditions to receive the award.

We wish you continued business success.

Sincerely,

[Signature]

AMIANITIT&TS CO., Manpower Supply

With reference to your letter no. DS/MSA/RO-1189 dated 18 Dec.2011 and according to our site memo no.535 dated 31Oct.2011, please be informed that we have no objection to start the repairing work of pin hole spots on GRB pipes by using same material quality and same manpower supply which successfully carried out the lamination work for all site joints before.

Taking in your consideration that additional guarantee is required by Doosan and Amiantit Co. .
